

St. Maximilian Kolbe Parish and School

CYO: 2017-2018 School Year

OUR MISSION

The St. Maximilian Kolbe Catholic Youth Organization (CYO) is more than just a sports program, it is a ministry. It is just one component of the parish's comprehensive youth ministry program which allows our youth to grow in their relationship with God and come to better understand themselves and the Catholic faith.

Through a focus on spiritual growth, service to the community, and excellence in sports, our goal is to help our children use their God-given talents to play sports, while at the same time carrying out the ministry of Jesus Christ. In partnership together with parents, coaches, priests, teachers, and adult leaders we provide a variety of sports programs that:

- Employ healthy and enjoyable competition to promote the sharing of gospel values among athletes, parents, and coaches.
- Assist parish leadership in nourishing the emotional, spiritual, social, and physical needs of young people.
- Encourage young people to appreciate the gifts they possess, and challenge them to share these gifts with their community.
- Allow youth to witness the life of Christian discipleship in their coaches and adult leaders.
- Encourage youth to become responsible members in their faith community.
